

OFFICE OF CONGRESSMEMBER NANETTE DIAZ BARRAGÁN
California's 44th Congressional District

FISCAL YEAR 2027 APPROPRIATIONS REQUEST FORM
FOR PROGRAMMATIC FUNDING AND
REPORT LANGUAGE REQUESTS

Thank you for your interest in submitting appropriations requests through my Congressional office. For all requests, please complete the form below and submit it to sean.kearns@mail.house.gov no later than March 6, 2026.

My office will evaluate each request and make a determination on which requests will be submitted to the House Appropriations subcommittees.

This form is ONLY for programmatic funding and report language requests.

If you are interested in submitting a Community Project Funding (CPF) request, do not complete this form. Please contact my office and ask for the CPF Request Form.

All communication with the office (including meeting requests) for CPF requests must come directly from the entity who would receive the funds being requested and who would directly benefit from the project.

We do not allow outside consultants or lobbyists to take part in our process – i.e. no outreach, meeting requests, submission of documents or projects, or any direct engagement to our office for CPF requests, or the projects won't be considered. Lobbyists and consultants can work directly with the entity to prep any required docs, consult, provide materials, etc.
