The Honorable Rosa DeLauro
Ranking Member
U.S. House Committee on Appropriations
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for San Pedro Ballfield Upgrades in fiscal year 2027. The entity to receive funding for this project is the City of Los Angeles, located at 200 N Main St, Suite 1500, Los Angeles, CA 90012.

The funding would be used to enhance eight ballfields located at Defense Fuel Support Point San Pedro into compliance with the Americans with Disabilities Act, improve public access to the properties, and complete other upgrades to sustain community use for future years. This investment builds on the 2025 National Defense Authorization Act, which authorized the Navy to convey the ballfields to the City of Los Angeles. The project is an appropriate use of taxpayer funds because it will sustain and enhance outdoor recreation opportunities.

The project has a Federal nexus because the funding provided is consistent with the purposes authorized in 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Nanette Barragán".
