The Honorable Rosa DeLauro
Ranking Member

1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Carson Multifamily Home Cooling Program in fiscal year 2027. The entity to receive funding for this project is the Clean Power Alliance of Southern California, located at 801 S Grand Ave, Suite 400, Los Angeles, CA 90017.

The funding would be used to provide 500 portable electric heating, ventilation, and air-conditioning systems, otherwise known as room heat pumps, to low- and moderate-income tenants in multifamily housing in Carson at no cost. The project is an appropriate use of taxpayer funds because it will help residents reduce home energy expenses.

The project has a Federal nexus because the funding provided is consistent with the purposes authorized in 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Nanette Barragán".
