Committee on Appropriations  
U.S. House of Representatives

Dear Chair Price and Ranking Member Granger:

I am requesting funding for the Public Charging Infrastructure for Battery Electric Drayage Trucks in fiscal year 2023. The entity to receive funding for this project is the Los Angeles Cleantech Incubator located at 525 S Hewitt St, Los Angeles, CA 90013. The funding would be used to significantly reducing air pollution resulting from the goods movement by installing public charging infrastructure, capable of fully charging a battery electric drayage truck in less than thirty minutes, near the Port of Los Angeles.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

*Nanette Diaz Barragán*
