The Honorable Rose DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Halldale Avenue Elementary School Inclusive Playground and Campus Enhancements in fiscal year 2024. The entity to receive funding for this project is Halldale Avenue Elementary School located at 21514 Halldale Avenue, Torrance, CA 90501. The project is an appropriate use of taxpayer funds because it will upgrade an elementary school campus through installation of an all-inclusive playground facility accessible for children with disabilities and other significant improvements to enhance the outdoor learning and recreation experience for local students.

The project has a Federal nexus because the funding provided is for the purposes authorized by 42 United States Code 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nanette Diaz Barragán
