The Honorable Rose DeLauro  
Ranking Member  
Committee on Appropriations  
United States House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Bioscience Research Training for Underserved Populations in fiscal year 2024. The entity to receive funding for this project is The Lundquist Institute, located at 1124 W Carson Street, Torrance, CA 90502. The project is an appropriate use of taxpayer funds because it will allow local undergraduate and graduate students to conduct bioscience research and contribute to advancements in the fields of genomics, clinical diagnostics, pharmaceuticals, and cell biology.

The project has a Federal nexus because the funding provided is for the purposes authorized by Section 272 of Title 15, United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Nanette Diaz Barragán".
