The Honorable Rose DeLauro
Ranking Member
Committee on Appropriations
United States House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Affordable Housing with Supportive services for Single-Parents Students and Their Children in fiscal year 2024. The entity to receive funding for this project is Raise the Barr located at 2851 West 120th Street, E339, Hawthorne, CA 90250. The project is an appropriate use of taxpayer funds because it will support the acquisition of a site that will be converted into supportive housing for single-parent students enrolled in classes at local universities, community colleges, and high schools, as well as their children.

The project has a Federal nexus because the funding provided is for the purposes authorized by 42 United States Code 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nanette Diaz Barragán
