Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Los Angeles Fire Station 79 Critical Infrastructure Repairs in fiscal year 2025. The entity to receive funding for this project is the City of Los Angeles, located at 200 N Spring St, Los Angeles, CA 90012. The funding would be used for repairs and upgrades Los Angeles Fire Station 79, which is over 60 years old. The project is an appropriate use of taxpayer funds because it will modernize a critical fire station to improve response times and emergency services in the Harbor Gateway community.

The project has a Federal nexus because the funding provided is consistent with the purposes authorized in 42 U.S.C.5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Nanette Diaz Barragán".
