Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Torrance Boulevard Safety Improvements in fiscal year 2025. The entity to receive funding for this project is the County of Los Angeles, located at 500 W Temple St, Los Angeles, CA 90012.

The funding would be used for the installation of leading pedestrian interval signal timing and accessible pedestrian signals along Torrance Boulevard, from Normandie Avenue to Hamilton Avenue. The project is an appropriate use of taxpayer funds because it will reduce pedestrian-vehicle collisions and enhance walkability on a high-collision corridor in the West Carson community.

The project has a Federal nexus because the funding provided is consistent with the purposes authorized in 42 U.S.C.5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Nanette Barragán

Member of Congress
